ii) Its Hindi and Nepali versions had also been printed for distribution. A Lepcha translation was now under preparation.

iii) Bulletin of Tibetology containing a book on Buddhist Logic entitled Alambanaparipada of Dharmakirti, Sanskrit and Tibetan Texts with an English translation by Shri N. Alawani Sastrl (Nos 1-3, 1980) was nearing completion.

iv) It had been decided to publish the first issue of the Bulletin of Tibetology (January-March, 1982) as a Karmapa Commemoration Volume for which several learned Lamas and eminent scholars in the domain of Tibetology had been approached.

Some learned papers on the life and teachings of the late lamented XVI Karmapa and on Karmapa order of Tibetan Buddhism had already been received.

We are glad that the present Regent of International Kargyu Headquarters of His Holiness the Gyudwa Karmapa, Dharma Chakra Centre, Rumtek, Sikkim, His Eminence Jamgog Kongtrul Rinpoche had kindly agreed to contribute a paper highlighting the life and teachings of Karmapa.

The Executive Board, SRTI OBS, held on the 26th March, 1982 discussed Dr. (Miss) Kapila Vatsayan's letter in connection with certain proposals relating to the expansion programme, financing the Institute for development programmes from State Development fund and publication of the critical editions of some chosen manuscripts.

The following selected rare and very important texts were recommended for publication under the programme based on the above decisions.

2. Works of the Thirteenth Dalai Lama. Thub-bstan-ngags-po, five volumes containing philosophy, history, religion, Tantrism, general aspects of Buddhism and the like.

Shri Vicrendra Nath, Assistant Educational Adviser, Ministry of Education, Government of India, in place of Dr. (Smt.) Kapila Vanyayan, attended the Executive Board meeting held on 8th February, 1982 and suggested to fund the SRITORS from the Plan instead of Non-Plan Budget where there was a limited scope of expanding the budget.

EXPANSION PROGRAMME

The Executive Board, SRITORS, held on 8th February, 1982 discussed the proposal of construction of Guest House, Reading Room and Library building for scholars and other visitors and tourists. Some Officers of the Sikkim Public Works Department had visited the spot where the new building would be constructed and the estimate was expected shortly.

KARMAPA COMMEMORATION LECTURE SERIES

At the Executive Board meeting held on 8th February, 1982, it was proposed that since the late lamented H.H. the XVI Gyalwa Karmapa, Dharma Chakra Center, Rumtek was closely associated with the Institute and contributed immensely towards the development of the Institute, it was in the fitness of things that “Karmapa Commemoration Lecture Series” be instituted in the Institute and every year an eminent scholar would be invited to deliver the series in one of the subjects of interest to the Institute.

It was also decided that a Professorship after the name of Karmapa should be set up in the Institute.

Our visit to the Institute of Tibetology was a very interesting and inspiring one. This is one of the best collections of old manuscripts beautifully preserved. The Institute needs more facilities for research scholars to work here. The Director and Librarian with a deep insight in the collection enlightened us.
